

NOMINATE 15 FOR JAYCEES' YOUTH AWARDS

The Distinguished Youth Award committee of the Gettysburg Junior Chamber of Commerce announced today the names of 15 high school students from the Gettysburg community who have been nominated by various organizations for the Jaycee honors.

The judging of the nominees will take place this afternoon and the awards will be presented at the annual awards banquet of the Jaycees late this month.

Judges for the contest are Judge W. C. Sheely, Dean John W. Shainline of Gettysburg College and Mrs. Philip M. Jones.

TO CHOOSE TWO

The young people will be judged on such considerations as leadership, scholarship, service to church and school and to youth organizations, according to members of the Jaycee committee that is in charge of the contest. The committee includes Attorney Oscar Spicer, Richard Guise and Thomas Piper. One young man and one young woman will be chosen for the honor.

The nominees follow in alphabetical order:

Ronald Carey, son of Mr. and Mrs. Newell Carey, Biglerville R. 2.

Linda Deitch, daughter of Mr. and Mrs. David Deitch, Gettysburg R. 3.

Nancy Louise Grawe, daughter of Mr. and Mrs. George F. Grawe, 438 Baltimore St.

Philip C. Hill, son of C. Kenneth Hill, Gettysburg R. 1.

Betty L. Hostetter, daughter of Mr. and Mrs. John E. Hostetter, R. 2.

Sally Jackson, daughter of Dr. and Mrs. Ralph Jackson, R. 3.

OTHERS PROPOSED

Larry Eugene Kepner, son of Mr. and Mrs. C. Paul Kepner, 52 South St.

David P. Knox, son of Mr. and Mrs. Carl R. Knox, 318 E. Middle St.

Martha Sargeant, daughter of Mr. and Mrs. Melvin B. Sargeant, R. 2.

John Schwartz, son of Mr. and Mrs. John Schwartz, Littlestown R. 1.

Thomas Sneeringer, son of Mr. and Mrs. James Sneeringer, R. 2.

Charles Tressler Jr., son of Mr. and Mrs. Charles Tressler, 640 Sunset Ave.

Jennifer Weaver, daughter of Mr. and Mrs. John Weaver, R. 3.

Racheal Williams, daughter of Mr. and Mrs. Calvin Lovett, 5 Breckenridge St.

Barbara Zeigler, daughter of Robert G. Zeigler, R. 2. Miss Zeigler was the only nominee proposed for the honor by two sources.

PLAN COURSES FOR ALUMNI

Gettysburg College Alumni will have an opportunity to return to college classrooms for special one-week courses this summer.

Planned for the week of July 5-9, the college will offer two courses most desired by alumni, who are asked to indicate their choice from a selection of five courses contemplated by the Alumni College.

The courses are: Art — American Architecture and the Great Society; economics and business administration; English; contemporary literature, novel, drama and poetry; music; Living with the Greats of Organized Sound, and political science, problems of the government in the 60's.

The courses will be given with-out credits and the future of the program will depend upon the success of the new venture. No grades will be given in any of the courses.

Dormitories and dining room facilities will be available for use of alumni and their families. Total cost per person for room, board and tuition will be \$30 for the week. For husbands, wives or children who would live on campus for the week but not take a course, the cost for the week would be \$30 for room, board and recreational facilities.

TWO PAY FINE

Clarence R. Thompson Jr., 32, 227 Poplar St., Hanover, and Edgar J. Swearing, 28, Gettysburg R. 5, were charged by borough police with disorderly conduct following a fight in front of Ned's Tavern, Chambersburg St., at 12:30 o'clock this morning. They appeared before Justice of the Peace Robert P. Snyder and paid fines and costs of \$19 each.

RAISE FLAG HERE DURING SCOUT WEEK

A daily ritual during Boy Scout Week beginning Sunday will be the flag ceremony in Lincoln Square by Cub Scouts and Explorers of Troop 79, sponsored by St. James Lutheran Church.

The flag will be raised promptly at 8 o'clock each morning and lowered at 5 o'clock in the afternoon.

Boy Scout Week will open Sunday afternoon at 5 o'clock in Lincoln Square with a formal retreat. All Scouts, Explorers and Cubs are urged to attend in uniform.

A member of each of the three units, troop bugler and leader of each unit will perform the flag ceremony in the center plot of the square. Scout James Hays will blow taps for the retreat program.

Boys who will perform the flag ceremony morning and evening throughout the week are:

Monday, Scout Mike Street, Cub Michael Vivaldi and Explorer Carroll Zentz.

Tuesday, Explorers Walter Powell, Jim Gallagher and Tim Marvin.

Wednesday, Scouts Fred Gantz, Bob Straub and Joe Dengler.

Thursday, Explorers Erick Bergdale, Steve Waybright and Tim Marvin.

Friday, Scouts Mark Bergdale, Scott Sterner and George Gallagher.

Saturday, Feb. 12, Explorers Gregg Marvin, Tim Whittinghill and Ray Hanisko.

Sunday, Feb. 13, Scouts Tim Voss, Richard Spangler and Steve Smith.

2 HOMES ARE BURGLARIZED

State police here today said they are investigating burglaries in two eastern county homes Friday evening. The loot totaled more than \$200 in cash.

The officers said someone forced open a kitchen door at the home of Mrs. Claude Nace, Hanover R. 5, in Berwick Twp. along Route 94 a mile north of Hanover, and took about \$163 from two piggy banks. The burglary occurred between 4:45 and 7:10 p.m. Friday, the officers were told.

The other burglary was at the home of Warren H. Wisotzky, Littlestown R. 2, where \$50 was taken between 8:30 and 10 o'clock Friday evening. Details of that burglary were lacking at presstime.

Restaurant Owner Faces \$200 A Day Fine On His Conviction Of Contempt

ATLANTA (AP) — Restaurant owner Lester Maddox, the first person convicted of civil contempt under the 1964 Civil Rights Act, faces fines of \$200 a day until he signs a statement saying he will agree to serve all persons regardless of race.

U.S. District Judge Frank A. Hooper rejected arguments Friday that he refused segregationist that he refused service only to integrationists and interstate travelers and that his business was not operated on the basis of race, color, creed or national origin.

CAN BE PURGED

Hooper set the \$200 a day fine, dating from Friday, until Maddox signs the statement. The judge said Maddox and the defendant Pickrick, Inc., could be purged of the contempt citation at the end of 60 days by signing the statement.

Maddox was reported out of town and not available for comment.

5 MEMBERS OF FACULTY END SPECIAL WORK

Five members of the Gettysburg College faculty, Professors Henry Ackley, Robert Barnes, Bruce Bugbee, Lester Johnson and James Pickering, have returned to their positions after spending the first semester doing advanced work in their respective fields.

Three professors, Robert Gemmill, John Held and Robert Trone, will be on sabbatical leave doing work on their doctorate degrees this semester.

Mr. Ackley, of the music department, spent the first semester studying contemporary song literature, voice methods and pedagogy at the Peabody Conservatory, Baltimore. He also studied voice under Frank Valentino, a leading baritone of the Metropolitan Opera Company.

Dr. Barnes, of the biology department, spent three months at the Stazione Zoologica di Napoli, where he studied tube building and feeding mechanisms in certain marine worms. This laboratory, located in Naples, Italy, is the oldest marine laboratory in the world and the largest one on the Mediterranean Sea.

RECEIVES GRANT

Dr. Bugbee, of the history department, received a grant for study at the Public Record Office and the British Museum in London. He did research on colonial assemblies and their relationships to the imperial government of Britain. The Bugbee family spent the summer traveling in Europe.

They visited 10 countries and camped out during most of the trip. In August they returned to London where they resided while Dr. Bugbee was studying.

Mr. Johnson, of the education department, left Gettysburg on July 30 and flew to Alaska where he and his wife spent a week. During the months of August and September, the Johnsons also visited Japan, Hong Kong, the Philippines, Australia, New Zealand, the Fiji Islands and Tahiti. After their tour they spent eight weeks in Honolulu, Hawaii, where both Mr. and Mrs. Johnson had library privileges at the University of Hawaii. Mr. Johnson did library work on Hawaii's Asian study program, doing reading on China, Japan, India and Southeast Asia. He also observed the Hawaiian educational TV system to be used with nearly 90 per cent of Hawaiian pupils when it is completed in a year.

VISITING FELLOW

Mr. Pickering, of the English department, was a visiting fellow at the University of London.

To Describe '65 Grain Program

The 1965 feed grain program will be discussed Monday evening at 8 o'clock in the Bermdian Springs High School agriculture room by Glen Miller, ASCS office manager. All farmers in the area are urged by members of the York Springs ASCS Community Committee, C. D. Reinecker, Adam Lobaugh and Guy Tanager, to attend the meeting.

Farmers taking part in the 1965 feed grains program may get top rate of payment on the entire acreage diverted into conserving uses if they sign up and actually divert at least 40 per cent of the farm's feed grain base, according to George W. Stock, chairman of the county committee.

The program for 1965 is basically the same as last year. Farmers may sign up for the program from February 8 through March 26 at the ASCS office in Gettysburg.

Pin Hopes For Dock Pact On Philly Meet

PHILADELPHIA (AP) — Negotiators for dock workers and ship owners in the Port of Philadelphia were called back to the bargaining table today to try to settle a contract which could pave the way for settlements in other ports.

A marathon bargaining session of more than 38 hours by representatives of the International Longshoremen's Association on the labor side and the Philadelphia Trade Association, for management, was recessed early this morning, apparently still stymied over local issues.

George E. Reedy, press secretary for President Johnson, had underlined the importance of the Philadelphia talks earlier in the day by commenting that if the Philadelphia negotiations could be settled, "there are rather good prospects for at least a substantial settlement over-all."

DEMOCRATIC WOMEN NAME 4 OFFICERS

Four officers for the Adams County Democratic Women's Club were elected at a meeting Friday evening at the Adams Electric Cooperative building. Mrs. Marie Harbaugh presided in the absence of the president, Miss Jean Miller, who is ill.

Elected for two-year terms were: Vice president, Mrs. Edna Sneeringer; treasurer, Mrs. Louise Freed; secretary, Mrs. Ruth Miller, and chaplain, Mrs. Elizabeth Burns. The installation of officers will take place at the April meeting.

A resolution was adopted unanimously which read as follows: "We will devote time and energy in helping to promote public meeting throughout the county that the citizens may be more fully informed on controversial bills that are being introduced in the federal and state governments, also county and school issues which are of vital concern to every citizen. We strongly urge civic groups, clubs and other interested groups, individually or jointly to help in this endeavor that the voice of the people may be heard and representatives of the people informed."

Fund raising was discussed and it was decided to hold a public card party in May. A report was heard from the auditors, Mrs. Fred Klunk and Mrs. Vesta Ling of New Oxford. The guest package was received by Mrs. Klunk. Refreshments were served by Mrs. Klunk, Mrs. Sneeringer and Mrs. Schimmel. The next meeting will be held Friday, March 5, at 8 p.m.

CHERRY MEET ON WEDNESDAY

The annual district meeting for members of the Great Lakes Cherry Producers Marketing Cooperative in the York, Adams and Franklin County areas and Maryland will be held at the Biglerville High School Wednesday at 7:30 p.m. it was announced today by Richard Trostle, Biglerville, director of the association.

Principal speaker at the meeting will be B. I. Freeman, section manager of the association, who will report on the current market, the association's research project on individually quick frozen cherries and long range plans to meet the changing needs of the cherry industry.

Of prime importance to all cherry growers is the proposed federal marketing order for supply management submitted to the section of agriculture by the National Cherry Growers Council on January 28. Great Lakes Cherry Producers wholeheartedly supports the efforts of the council and will discuss the order for the information of all cherry growers.

STILL CRITICAL

James F. Flatley, 33, Gettysburg R. 6, is holding his own in his battle for life in the Warner Hospital where he has been on the critical list since he was admitted by ambulance Thursday noon. He was severely burned when a furnace exploded at the Hercules Alcor plant at Seven Stars. Another workman was less seriously burned at the same time.

BIRTH ANNOUNCEMENTS

EWING'S WIFE CAN'T PAY FOR CARE OF SIX

An accused murderer's ex-wife appeared in Franklin County Court, Chambersburg, Friday on charges of owing more than \$700 in payments toward care of her children.

Mrs. Violet (Ewing) Reeder, Chambersburg, mother of six by her former husband, Curtis E. Ewing, 37, had an infant in her arms when she stood before Judge Chauncey M. Pepuy.

Another baby, a toddler, was held by a court attendant during the brief hearing.

Mrs. Reeder, bare-legged in today's cold wore a light jacket and no hat. She told the court she did not have any money to pay toward the court order holding her responsible for a small weekly sum.

Now remarried, Mrs. Reeder was formerly the wife of Ewing. He is held in the Adams County jail on a charge of wife slaying. The accused man was arrested in Waynesboro last October 21 a few hours after Cleo (Mowen) Ewing was shot and killed as she talked on the telephone to state police.

The crime occurred at the home of a neighbor where Mrs. Ewing sought help after being threatened by her estranged husband.

After hearing Mrs. Reeder's plea Friday, the court took no action in view of her financial condition.

BERMUDIAN BD. PROTESTS TAX 'PRESSURES'

The Bermudian Springs Merged School Board Thursday evening adopted unanimously a resolution protesting the county commissioners' recommendation for wage income tax to replace the occupation tax for school purposes.

The board objects to "the method of which the commissioners are using to force the school districts of the county to adopt the tax."

The commissioners on January 15 adopted a resolution asking all school districts to consider use of the wage-earned income tax to replace the occupation tax. The notice to the school boards stated the commissioners' intention "to do away with the occupation assessment entirely, starting with 1966." They noted that the "occupation tax is unfair, unjust and incapable of being made fair and just." The notice further stated, however, "that if the school boards insist, the county by law must make an occupation assessment; however, the county is delegated authority to set the assessments at any figure, and if the commissioners are forced to have an occupation assessment, that assessment will be low."

The Bermudian Springs School District declared that the plan recommended by the commissioners would "place an additional burden of taxation upon real estate because the tax base of the wage-earned income tax would not raise as much revenue as the occupation tax." It also states that the cost of collection and administration would be higher.

The board insists that "it should be permitted to exercise its legal power and authority to raise necessary revenue by levying those types of taxes which appear to be in the best interests of the local school district."

To Seek State Crown

Adams County's Apple Blossom Queen, Miss Martha McDannell, 18, Biglerville R. 1, will be one of 10 contestants for the state Apple Blossom Queen title Tuesday afternoon at the annual meeting of the Pennsylvania Horticultural Association in York.

Miss McDannell was crowned county queen last spring at the annual Apple Blossom Festival. She was graduated from Biglerville High School last year and is a freshman at York Junior College.

This year's contest will be the largest in a number of years for the state title with 10 apple-producing counties entering a contestant. Mrs. Wadsworth Whit-tier, Shermans Dale, is chairman of the queen contest, which will be held in the main auditorium of the Hotel Yorktown Tuesday afternoon before the entire convention of state fruitgrowers. The winner will be crowned Tuesday evening at the annual banquet.

Competing with Miss McDannell will be: Gail Murray, Wexford, Allegheny Co.; Barbara Williams, Mount Penn, Berks Co.; Joyce Mattern, Hollidaysburg, Blair Co.; Rita Statler, Greencastle, Franklin Co.; Joyce Bernard, Lancaster R. 6, Lancaster Co.; Donna Horst, Lebanon R. 3, Lebanon Co.; Irene Mohr, Fogelsville, Lehigh Co.; Beverly Sanno, Shermans Dale R. 1, Perry Co.; and Patricia Barton, Mt. Wolf, York Co.

Services Today For Dr. Earl Bowen

Largely attended funeral services were conducted this afternoon at 2 o'clock in Christ Chapel on the college campus for Dr. Earl Bowen, head of the biology department at the college, who died suddenly at his desk in Glatfelter Hall Wednesday afternoon.

The services were conducted by the college chaplain, the Rev. John W. Vannorsdall, and by the Rev. Dr. Harold A. Dunkelberger of the college faculty. The body lay in state in the chapel from 1 o'clock this afternoon. The casket was closed at 1:45 o'clock.

Five members of the staff of the biology department which Dr. Bowen headed served as pallbearers. They included Dr. Robert Barnes, Dr. Neil Beach, Prof. William Darrah, Sherman Hendricks and John R. Winkelmann. The sixth bearer was C. William Harbaugh, president of the local Rotary Club of which Dr. Bowen was a member.

Interment was made in the Evergreen Cemetery. The Bender Funeral Home was in charge of the funeral.

TO DISCUSS FORESTRY

Forest products, management, resources and sawmill operations will be discussed Wednesday evening, February 17, at 7:30 o'clock by extension foresters of Pennsylvania State University. The meeting will be held in the vocational agriculture shop of Gettysburg High School, Charles Strauss and Ed Farrand, PSU foresters, will discuss foresting and marketing for local farmers and wood-lot operators.

Students Battle Police In New York As Protest Of Alabama Vote Trouble

NEW YORK (AP)—Fighting, flailing young pickets and a dozen deputy federal marshals tangled Friday on the steps of the U.S. Courthouse here in a 20-minute melee that left members of both sides battered and bruised.

The fighting broke out when 12 members of the Student Non-Violent Coordinating Committee, protesting mass Negro arrests in Selma, Ala., formed a flying wedge and tried to storm their way into the building.

An equal number of deputy marshals charged out to meet them. Pickets were traded, and both pickets and marshals wrestled and rolled down the steep, ice-coated steps. About 50 other pickets looked on, chanting encouragement.

RELEASED STUDENT

One youth was taken into custody but later was released without charges. It was the second day of demonstrations at the downtown Manhattan courthouse by SNCC, which is asking for federal intervention to guarantee Alabama Negroes the right to register and vote.

On Thursday eight men and two women were dragged bodily from the building when they tried to stage a sit-in in U.S. Atty. Robert M. Morgenthau's fourth-floor office.

In anticipation of an attempt at another sit-in, the 30-story building was turned into a virtual armed camp.

LOCK DOORS
All ground-floor doors except the main one were locked. Armed guards stood at the only entrance. Stairway entrances from the fourth floor down also were locked.

Nine armed guards were called in from other federal buildings to augment a force of five FBI agents and city detectives in the main lobby.

Deputy marshals were as- (Continued on Page 3)

SCHOOL BOARD REJECTS ALL LINCOLN BIDS; FILL VACANCY

At a special 45-minute session Friday evening, the Gettysburg Merged School Board turned down all of the bids it received Monday for the Lincoln School property, voted to accept Mt. Joy School District into the Gettysburg merged district if township voters approve at the primaries and filled a board vacancy by the appointment of Mrs. Arthur E. Rice Jr., West Broadway.

Advised by their counsel, Attorney John A. MacPhail that the school district cannot now offer a "marketable title" to the Lincoln School property, the board voted to reject all bids that were opened Monday evening on the now unused school building at York and Hanover Sts.

The bids had ranged from \$500 to \$77,500. The title trouble developed about two days before the board opened the bids when it was discovered that the school district acquired the property more than 50 years ago by eminent domain proceedings rather than by purchase. That circumstance affected the quality of the title the school district could offer prospective buyers.

NAME MRS. RICE

Mr. MacPhail reminded the board Friday evening that the top offer of \$77,500 from the Atlantic Refining Company had a condition attached which required that a "marketable title" could be supplied. Mr. MacPhail said that under the circumstances he had to advise the board to reject all of the bids while "exploring the possibilities toward later action."

The board followed MacPhail's advice and on a quick motion voted unanimously on a roll call to reject all of the bids. Two representatives of John R. Muth, Harrisburg, who had submitted the \$500 offer for the school, were the only representatives of bidders on hand Friday.

The name of Mrs. Rice was the only one proposed for the 2½-year term resigned last Monday by Dr. Jacob Heikkinen who left Thursday on a trip around the world. She formerly was a member of the board and her appointment was made on a unanimous vote.

President Robert W. Weaver announced he is assigning Mrs. Rice to the teacher and curriculum committee on which she formerly served.

APPROVAL FOR MT. JOY

The teacher committee post was made available to Mrs. Rice by transferring Robert H. Deardorff from the teacher to the finance and planning committee.

There was unanimous action, too, on the petition of the Mt. Joy Twp. School District for acceptance into the Gettysburg (Continued on Page 3)

STUDENTS TO VISIT COURT

Ninth Graders of the Gettysburg High School will begin a series of visits to the county courthouse next Monday afternoon that will continue through Tuesday and Wednesday with Biglerville High School Ninth Graders to go to the county building Thursday morning and afternoon.

The visits are in connection with the annual essay contest sponsored by the county Bar Association on the theme "My Impressions of the Courthouse Tour."

The essays are to be limited to 300 words and must be in the hands of Attorney Donald G. Oyster by May 15. The three best essays submitted at each school are to be forwarded to him.

There will be cash prizes of \$15, \$10 and \$5 and the winner will be entered in the state contest where the first prize will be \$250.

The courthouse tour will include visits to offices and to a session of court. Each group of students will spend about two hours on the tour.

Get Continuance In Murder Case

The Adams County court Friday afternoon granted a petition for continuance in the murder case of the Commonwealth against Curtis Eugene Ewing, charged with the murder of his wife, Cleo, early October 21 as she telephoned police from the home of Mr. and Mrs. Richard E. Schultz, Lincoln Highway West.

Ewing, who was estranged from her husband, died instantly from a high-powered rifle shot fired through a kitchen window in the Schultz kitchen.

COOPERATIVES MAY BE IN LINE FOR U. S. LOANS

Rural cooperatives financed through the new nationwide Economic Opportunity Program may prove to be the key to higher living standards for some Adams and York County families.

Daniel A. Paddock, Farmers Home Administration county supervisor, said today that processing, marketing, purchasing and servicing cooperatives made up mostly of farm and other rural families with limited incomes in Adams and York Counties may be eligible for financial assistance.

Farmers Home Administration, a credit agency of the U. S. Department of Agriculture, now has authority to finance local cooperatives of rural families with limited incomes that furnish such services as:

UP TO 30 YEARS

Marketing of fruits and vegetables produced on family farms, handicraft and other home-produced goods; processing services including canning, freezing, grading, washing and packaging; or purchasing equipment and services, including machinery and equipment for improvement of agricultural land, breeding services, and other supplies and services essential for farm and home needs.

Loans are repayable over periods up to 30 years. They carry an interest rate of 4 1/2 per cent.

Through cooperatives needy farm families can improve their buying and earning power, economically purchase items for farming and obtain other basic services and supplies at substantial savings, Mr. Paddock said.

ASSIST IN SUPERVISION

FHA may advance loans to help small cooperatives get started as well as supply operating capital for existing cooperatives.

Along with a loan program, FHA assists in the supervision of cooperatives financed and also supplies technical advice.

Additional information about financing for small cooperatives serving rural families is available at the Farmers Home Administration Office located in the Adams Electric Cooperative building, rear N. Stratton St.

ENGAGEMENT

Scott-Biggins

Mr. and Mrs. Donald S. Biggins, Gettysburg R. 4, have announced the engagement of their daughter, Alice J., to Philip E. Scott, son of Mr. and Mrs. E. Donald Scott, 529 Baltimore St., Gettysburg.

Miss Biggins was graduated from Gettysburg High School in 1960 and is employed by Adam Electric Cooperative, Inc. Mr. Scott was graduated from Gettysburg High School in 1957 and from King's College, Briarcliff Manor, N. Y., in 1961. He is employed by the Pennsylvania Department of Health.

8-Day Cold Snap Ends Here Today

Temperatures in Gettysburg went above the freezing mark this morning for the first time since the afternoon of January 28. Earlier in January there was a one-week period when daily temperatures remained below freezing but the "cold snap" just ended was the longest so far this winter.

The coldest day in the eight-day period just ended was Friday morning when the low was 9 above zero. Last January 15 the mercury dropped to one below zero here to set a record for this winter.

At 8:30 o'clock this morning the temperature was 33 degrees and the mercury kept rising during the morning.

Court Issues Support Orders

A number of nonsupport cases were continued Friday afternoon by the Adams County court and five defendants were instructed to pay support orders.

James C. Smith was sentenced to 15 days in the county jail for contempt of court.

Raymond E. Hoke, Littlestown, R. 2, was ordered to pay \$12 a week for support of his wife and two children. He also paid the costs and was released in \$500 bail in his own recognizance.

Sterling E. Cole, Gettysburg, was ordered to pay \$12 a week for the support of one child, pay the costs and was released in \$500 bail in his own recognizance.

Donald R. Andrews was ordered to pay \$15 a week until his arrearage is paid in full, and Raymond L. Rosenberg was ordered to pay \$30 a week until his arrearage is paid.

4-H Senate Holds Meeting Thursday

The County 4-H Senate held a meeting Thursday evening at the West Street Branch of the Gettysburg National Bank. President Donald Fair, Littlestown, presided and Secretary Sally Jackson, Gettysburg, gave a report.

It was announced that the cooperative talent contest will be held August 7. A discussion was held on the possibility of remodeling the extension meeting office.

Mrs. Sheila Arnold, county assistant home economist, will be in charge.

It was decided to send all lists to all the clubs in the county which will include all the projects which may be undertaken under the yearly program. Each club will then have an opportunity to choose a project they desire for their club year.

Refreshments were served in charge of Joan Bowman, McSherrytown, and James Rohrbaugh, Littlestown. The next meeting will be April 1 at the REA building.

APPLY FOR LICENSE

Norman Russell Rager Jr., son of Mr. and Mrs. Norman R. Rager Sr., Littlestown R. 2, and Miss Virginia Marie Dietrich, daughter of Mr. and Mrs. Daniel W. Dietrich, Gettysburg R. 1, have applied in the clerk of courts for a marriage license.

FACE CODE CHARGES

Borough police charged Emory K. Clapsadde, 37, 30 Carlisle St., with operating a motor vehicle without a license at 3:30 o'clock this morning. Sara E. Schmitz, 132 Carlisle St., was charged with permitting an unlicensed driver to operate her vehicle. Both were arrested and will appear today before a justice of the peace.

UNSEASONABLE MILD WEATHER BREAKS TODAY

By THE ASSOCIATED PRESS

Unseasonable mild weather was warmly welcomed today by most of the eastern half of the nation after more than a week of severe cold and snow.

The weather pattern showed a sharp changeover, notably in the Midwest and South, as southerly winds swept across wide areas. Temperatures Friday were 30 to 50 degrees higher than 24 hours earlier in many parts of the Great Plains and in the Mississippi Valley.

The warming trend was expected to extend across most areas east of the Mississippi River to the Atlantic Coast.

COLD ELSEWHERE

But wintry weather, although not severe, still prevailed in northern sections of the Dakotas and Minnesota into northern New England. Temperatures edged to near zero in northern Maine. Snow fell in much of New York State and in most of New England.

During the night many cities in the central part of the nation reported temperatures in the 40s, with 50s in some parts of the southern plains.

Rain, snow and cloudy skies covered most of the nation. More rain splashed the soggy sections of the Pacific Coast from California to Washington but tapered off after Friday's heavy amounts in some areas.

STEADY RAINS

The steady rains plus melting of snow threatened possible flooding along rivers in Oregon, Northern California and Washington. Violent winds lashed areas in Oregon Friday with gusts clocked at 102 m.p.h. at Newport, Ore., and 82 m.p.h. in downtown Portland.

Showers also continued in the Gulf and lower Atlantic Coast region.

Early morning temperatures ranged from 4 above at Moulton, Maine, to 75 at Key West, Fla.

low at Cornell University where he studied the Fiske Icelandic Collection. This collection, which is the largest of this type in North America, is a library of printed books dealing with Icelandic history, literature, and culture. He concentrated on the period of the Scandinavian Middle Ages, reading primarily Icelandic sagas and heroic tales of the Scandinavian countries. Mr. Pickering also learned the language in which these works were written, enabling him to read many works in their original versions. In addition, he studied German linguistics.

Mr. Gemmill, of the economics and business administration department, will spend two years at Northwestern University. He will concentrate in the study of finance and banking in preparation for his doctorate degree.

Mr. Held, of the education department, will be studying for a year at the University of Maryland. This is his third year of prerequisite study in preparation for the writing of his thesis. He is working for his doctorate degree in education, specializing in supervision and curriculum development.

Mr. Trone, of the Bible department, is spending this year working on his doctorate in Byzantine Art at Catholic University in Washington, D.C. He will return to Gettysburg at the end of this semester.

DIRECTORS TO MEET

The Gettysburg Joint School committee which does business for the joint school board will meet Monday evening at 7:30 o'clock at the senior high school and the directors will be gathering again next Thursday evening for the annual school personnel dinner at the same school building.

Mt. Kennedy, a 13,900-foot giant, rises just east of the Alaskan border in the St. Elias Mountains, highest range in Canada.

Ease Old Penalty For Mint Director

PHILADELPHIA (AP) — The worst that can happen if coins don't measure up during special tests at the Philadelphia Mint next Wednesday is that Director Michael H. Sura will be banished from federal service for life. Time was, he would have been killed.

The tests are called the Trial of Pyx and they were originally directed by President George Washington in 1782. The custom dates even further back to a 13th Century English law.

Originally the law said mint officials whose coins were substandard "shall be deemed guilty of felony and shall suffer death."

BULLETIN

SANTIAGO, Chile (AP) — A Chilean plane with 82 persons aboard crashed and burned this morning in the Andes a few minutes after takeoff for Buenos Aires.

The plane was a Douglas DC6 of the Chilean National Airlines (LAN). Police said it carried 75 passengers and a crew of seven.

The crash occurred about three miles from Lo Valdes and about 50 miles east of Santiago, in the heart of the Andean range.

Robbery Victim Dies During Quiz

PHILADELPHIA (AP) — Leo H. Esten, 64, victim of an alleged strong-arm robbery, died Friday night as detectives were questioning him about it, police reported.

Esten was quoted as telling detectives that two men had forced their way into his house a few hours before and had robbed, then cracked him on the head with a blunt instrument.

One detective applied mouth-to-mouth resuscitation, but to no avail, when Esten complained of feeling "faint" then collapsed.

The amount taken from Esten's home was undetermined, police said.

SUPPORT PLAN TO LET THANT DIRECT PEACE

UNITED NATIONS, N.Y. (AP) — Support grew today for a plan to place the U.N. peace-keeping problem in Secretary-General U Thant's hands in hopes some accord can be reached in time to save this session of the General Assembly from total collapse.

The United States has thrown its weight behind the plan, proposed by Britain and a number of other nations to try to head off a U.S.-Soviet showdown over voting rights that could deal the United Nations a crucial blow.

The plan, presented to Thant by Lord Caradon, Britain's chief delegate, calls for a review of peacekeeping operations past, present, and future by the 21-nation working group set up in 1962 to study the problem.

WOULD RECESS ASSEMBLY

The assembly would recess while the review was being made, and Thant would take the initiative in setting up consultations with the big powers and regional groups.

The British told Thant general agreement on the principles of peacekeeping would make it easier to settle financial troubles stemming from past peacekeeping operations.

If the plan wins approval, the assembly, which meets Monday to clean up budgetary matters and other housekeeping details, will probably recess until late April or early May.

Soviet Ambassador Platon D. Morozov called on Thant late Friday, presumably to discuss the new proposal. There has been no indication yet of Russian reaction.

At Least 40 Die In Earthquakes

JAKARTA (AP) — At least 40 persons were killed in a series of earthquakes and tidal waves that hit Indonesian Islands Dec. 24 and 25 about 1,330 miles east of Jakarta, according to reports just reaching here today.

The worst hit areas were Sanna, Mangole and Buru in the Celebes and the Moluccas Islands.

The official news agency Antara said a tidal wave destroyed 90 per cent of the houses in Sanna.

Red Deputy Ends Visit To Mongolia

MOSCOW (AP) — Soviet Deputy Premier Alexander N. Shelepin ended a 10-day visit to Mongolia today apparently intended to bolster that Soviet satellite from Chinese pressure. Mongolian Premier Yumzhag-Tsedenbal was reported to have renewed his support for the Soviet Union in its ideological dispute with Red China.

Mongolia's Communist party recently ousted three officials on charges of questioning the party's ties to Moscow. The big Communist country, which lies between the Soviet Union and Red China, has been hurt by Chinese economic retaliation for its pro-Soviet position.

START ACTION TO STOP WORK ON HI SCHOOL

Six Emmitsburg residents have entered a suit against the Frederick County commissioners and the Frederick County School Board seeking to force them from entering further contracts concerning the proposed Catactin High School.

The suit was accompanied by a show cause order from Chief Judge Patrick M. Schnauffer giving the county and school officials until February 10 to show cause why the injunction should not be enforced.

One of the allegations of the suit is that the vote of the school board in approving the Staub site on the northern border of Thurmont for the proposed consolidated school was not a unanimous one.

4 TO 2 VOTE

The suit says, "The vote of the school board in selecting the Staub site was four to two but was reported to the commissioners as being a unanimous vote."

The commissioners said Friday in reviewing the background for the suit, "The school board replied to our request saying they had reviewed all of the sites available and had come to the unanimous conclusion that the Staub site was the best location for the school."

They said they sent back the first request of the school board for funds for the Staub site, even though it was \$250 per acre less than the original site selected, "because the people of Emmitsburg complained about the site being so close to Thurmont."

Those filing the suit, who claim to be representing themselves and the other citizens of Emmitsburg, are town commissioners, J. Norman Flax and J. W. Houser, Junior Chamber of Commerce leader Bernard B. Boyce; weekly newspaper publisher, C. Arthur Elder; Robert C. Simpson and Mrs. C. A. Meyerhoffer.

Man Accused Of \$400,000 Theft From His Bank

TYLER, Tex. (AP) — Authorities Friday charged a small, bespectacled man regarded by neighbors as the No. 1 citizen of their East Texas village with taking nearly \$400,000 from his one-man bank.

Butler McClung, 62, posted \$10,000 bond and went free after he waived a preliminary hearing.

Meanwhile, the Winona State Bank closed. A notice from the directors posted on the door advised the public that the bank, with \$20,000 capital stock and about \$50,000 in deposits, was "in failing condition."

Girl Scout News

All Junior Girl Scouts in Gettysburg, interested in working for the "Dance Badge," are urged to report to the Eddie Plank Memorial Gymnasium, Gettysburg College, Monday afternoon immediately after school, where two college seniors will conduct dancing classes for the next five or six weeks. Scouts should wear sneakers and should be accompanied by a senior aide and troop leader. The Misses Ann Fisher and Joanne Lott, students, will conduct the classes each Monday afternoon.

The suit was accompanied by a show cause order from Chief Judge Patrick M. Schnauffer giving the county and school officials until February 10 to show cause why the injunction should not be enforced.

WILL INCREASE AID

U.S. military and economic aid to Thailand has been running at about \$13-14 million a year. This will be stepped up, officials said, but they gave no figure.

According to specialists on the area, Thailand's leaders are cool and confident of their ability to maintain the freedom and independence of the kingdom.

The Thais were said to accept at face value the strong assurances of U.S. support which have been stated by both President Johnson and the late President John F. Kennedy as part of the U.S. commitment to the Southeast Asia Treaty Organization. SEATO headquarters are in Bangkok, Thailand's capital.

Two Nearby Banks Will Be Merged

HARRISBURG (AP) — Plans to merge the Dauphin Deposit Trust Co. and Lemoyne Trust Co. was announced Friday by the banks' boards of directors.

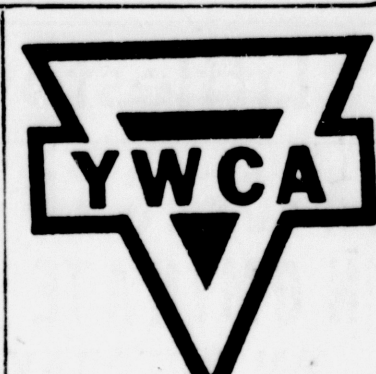

The two boards approved the merger Thursday, but final action must come on a vote of the banks stockholders and approval from state and federal authorities.

Officials said the new bank would bear the name Dauphin Deposit Trust Co. Dauphin Deposit, which currently has 10 branches in the Harrisburg area would add the four branches of Lemoyne Trust, all located in Cumberland County. Total resources of the two banks is \$167 million.

Juvenile Crimes Reach New High

PHILADELPHIA (AP) — Police Commissioner Howard R. Leary says crimes in Philadelphia attributed to juveniles in 1964 topped the 1963 figure by more than 9 per cent.

In a report released Friday, it was noted that there were 20,549 crimes attributed to juveniles in 1964. The report also showed that juveniles continue to represent a substantial portion—46.5 per cent—of the total number of persons arrested for major crimes in Philadelphia.

SCHOOL BOARD

(Continued From Page 1)

Merger, provided the township voters approve the move in a referendum vote at the May primaries.

The action came after the board was informed that the township supervisors had agreed to remove tax barriers to the merger by announcing their willingness to give up the one per cent property tax and \$2.50 of their present head tax levy to the school district. The matter had been before the Gettysburg board Monday evening but that was before the supervisors announced their concessions.

ASK UNIFORM COMMISSIONS

Now both Straban and Mt. Joy will ask the court, through the solicitor to the county board, Attorney Eugene R. Hartman, to frame the question to be placed on the primary ballots in those districts. The county board of school directors had given its approval to the merger plans late in January.

TEN YEARS AGO

J. Alfred Hamme, York, architect for Gettysburg College, today announced the awarding of a contract to O. H. Hostetter and Son, Hanover, for the construction of a men's dormitory at the college to cost "within \$300,000." The Hanover firm was the low bidder of nine bids opened by the board of trustees' Building and Grounds Committee Saturday at the college. It will be known as the "Charles M. Stine Hall."

Construction will begin at once, a college spokesman said, and the new dormitory is to be completed by January 7, 1956.

DAC ELTON L. KESSEL, E. Middle St., was a representative of the Army Forces of the Far East at a world-wide engineer equipment standardization conference held at the office of the chief engineer at Washington, D.C., January 24 to 26. He has since returned to his station at Camp Kassa in Japan.

Mrs. Kessel and their children, Suzanne and Elton Jr., E. Middle St., visited with Mr. Kessel while he was at Washington for the conference and then visited Mr. Kessel's brother-in-law and sister, Mr. and Mrs. H. A. Milley, Queens Village, N.Y.

Miss Rosemarie Redding, daughter of Mr. and Mrs. Clement Redding R. 2, was chosen Queen of the annual ROTC Military Ball at Loyola College, Baltimore, Saturday evening in the Evergreen gymnasium.

A student at St. Agnes School of Nursing, Miss Redding was elected from a list of seven candidates, six of whom represented colleges and nursing schools in the Baltimore area. The seventh was chosen from among the many girls whose pictures were submitted in the ROTC photo contest. The girls were chosen by a committee of judges.

Miss Redding received a large gold cup from last year's winner which she will pass onto next year's queen. She was made honorary regimental commander of the ball Saturday at which music was furnished by the Second Army dance orchestra. Miss Redding is in her senior year at the nursing school.

The East Berlin borough council at its February meeting Tuesday evening took steps to advance the move in that town for the construction and installation of a sanitary sewer system and treatment plant.

Preliminary estimates indicate a cost of upwards of \$100,000 and councilmen informally discussed a plan by which the improvement could be financed with 40-year, self-liquidating, revenue bonds. The system would serve about 340-350 dwelling units.

Next step in the undertaking will be a town-wide survey to be made by members of the town council to determine how residents of the community feel about proceeding with the undertaking. Councilmen believe the townsfolk are in favor of the proposed improvements.

Allen Sharrar, Orrtanna R. 2, who has been first assistant superintendent of highways for Adams County for the last 16 years, has been advanced to the post of superintendent.

Dr. Seymour B. Dunn, dean of Hobart College, Geneva, N.Y., has been appointed dean of Gettysburg College, effective September 1, it was announced today by Dr. Walter C. Langsam, college president. In naming Dr. Dunn to the position, Dr. Langsam announced that

Today's Talk

LIVE YOUR AGE—HAPPILY

Life goes forth in sections. Youth is perhaps the briefest of all, simply because it is so unthinking, so filled with new thrills and discoveries, and seems so endless. Before one realizes the fact, it is gone! And the more serious section is reached, in which problems accumulate, character is tested to the full, and the worthwhile values of life are appraised. Middle age is approached.

Would that every youth might take abundant advantage of every day and year of that glorious period which slips away so quickly and so unannounced. It's the gardening time of life, when so much is planted, and not all the seeds bring forth flowers or wholesome grain. Weeds creep in!

Having gone through youth, and experienced all its offerings, and now arrived at the more mature and ripened age, I can testify to its wealth and thrills as well. There are compensations all along the way of life. We who have lived through all former years now have memories that youth pays no attention to. In addition, friends are cemented to our way of life, and a most precious gain it is, for without friends in one's mature years one can be most unhappy and lonely in spirit.

We are forever, year by year, leaving outgrown shells by the wayside. Each year, each day, we may recreate ourselves into happier human beings. Like Ulysses we can keep voyaging and reaching out for new worlds to discover and conquer!

No matter where you may find yourself in life, live that age—triumphantly! Worry over no regrets. Nothing can be recalled. "Let the dead past bury its dead." Today is the only time you have within your grasp. The bird with a broken pinion never soared so high again, but its song was sweeter!

In reviewing your life, just think of the many bridges you feared to cross that weren't there at all when you arrived! And so that worry—as are most worries—was useless. It ought never to have been. Live for today alone, and live your age. "Enjoy yourself—it is later than you think!"

WEATHER EXPERIENCE
When blows the winter wind I think
'Tis difficult to work with ink.
On milder days, sans ice and snow,
Ideas may more smoothly flow.

But when the skies are blue with spring
I find to laziness I cling.
I ought to work, but I decide
The day's too nice to spend inside.

Through summer and the dog days hot
My choice is for a shady spot.
I let the work neglected stay
Till cooler are both night and day.

But framed with autumn's bronze and gold
(And this excuse is ages old).
I think it were a shame to lose
The splendor of such glorious views.

Since work and weather won't agree,
Perhaps the fault may lie with me.

4-H CLUB MEETS

Miss Sharon Lippy presented a show and tell on "Fire Prevention and Safety" at the meeting of the Oak Grove 4-H Economics Club held on Thursday evening at the home of Miss Barbara Sheely, Littlestown R. 2. Mrs. Richard Sheely and Mrs. Glenn N. Lippy assisted the girls with their projects. Barbara and Jane Sheely entertained with several selections on the guitar and piano. Refreshments were served to the group. Miss Martha Parrish, Littlestown R. 1, will be hostess to the club for the next meeting to be held on a date to be announced.

Dr. Wilbur E. Tilberg, now in his 29th year as dean of Gettysburg, would be named dean emeritus upon his retirement at the close of this academic year.

Lt. Charles A. Rodgers, Gettysburg, recently graduated from primary pilot training at Vance Air Force Base, Enid, Oklahoma, and received his pilot's "wings." He is presently stationed at Randolph Air Force Base, San Antonio, Texas, where he is attending a B-29 transition school. Mrs. Rodgers is the former Betty Jo Hill.

Lt. Rodgers is the grandson of Mrs. Charles Weikert, 69 E. Middle St., and the son-in-law of Mrs. Violet E. Hill, 231 Baltimore St. He is a graduate of Pennsylvania State University.

JAYCEES TO
NOMINATE
ON TUESDAY

The nominating committee will nominate a slate of new officers at the semi-monthly meeting of the Littlestown Junior Chamber of Commerce at 8 p.m. on Tuesday in the chapter room at the Community Center. Nominations will remain open until March 9.

The following new bylaw will be voted upon on Tuesday: "This organization shall maintain a community fund. This fund shall be maintained in a savings account in such banks that are designated by the board of directors. Ten per cent of the net profit derived from all money making projects shall be deposited in said fund at the completion of each project. All money deposited therein shall be withdrawn for projects of community improvements and betterment only, subject to approval of the board of directors, and a two-thirds majority of the membership."

The chapter has set aside \$500 from profits earned this year for community development and a recreation park. The Jaycees urge the other service clubs to set aside a similar amount. The chapter has been asked to cooperate with the Junior Woman's Club to help finish the floors in the all-purpose room of the Community Center. Plans are also under consideration for the Jaycees to finish the hall upstairs in the Community Center.

There will be a report on bowling for Jaycees and their wives as a winter social get-together. Freddie L. Dutter and Dean Shorb are in charge of investigating the interest in this project. The third technical council will be held at the Feb. 23 meeting of the Jaycees. Donald Ness, certified public accountant from Harry Ness and Company, York, will give an informative talk on income taxes, personal, corporate, and estate taxes.

MOSCOW (AP) — Alexei Adzhubei, Nikita Khrushchev's son-in-law and longtime editor of the government newspaper Izvestia, lost his final honorary post, Tass reported Friday in Moscow.

The official Soviet news agency said Adzhubei was relieved of his duties as secretary of the board of the Union of Journalists of the U.S.S.R.

He lost his Izvestia post last October and the following month lost his membership in the Soviet Communist party's central committee.

Riding Club Plans
For Bicentennial

Preliminary plans for participation in the Littlestown Bicentennial observance were discussed at the monthly meeting of the Carroll-Adams Riding Club held on Thursday at "Sunset Hill Farm," near town. There was lengthy discussion on presenting a Civil War skirmish and western horse show. Gordon E. Warner showed films on a Civil War skirmish.

One new member, Ivan E. Arentz Jr., was welcomed as a new member. Dr. Leah A. Maitland, president, presided and heard routine reports. At the conclusion of business, refreshments were served by Miss Charmaine Farnham and Roland Miller.

The club will meet again on Thursday, March 4, at "Sunset Hill Farm." Raymond Reynolds and Oscar Sentz will serve refreshments.

Plan Meeting On
Sr. Citizens' Club

The Interservice Council, composed of representatives of all service clubs in Littlestown, has decided to try to bring interested people together to see if the establishment of a Senior Citizens' Club is desired.

A meeting will be held on Thursday afternoon at 2 o'clock in the social room of the Eagles Home, W. King St. Mr. and Mrs. R. K. Stalmsmith, members of the Senior Citizens' Club of Gettysburg and vicinity, will be in attendance to tell about their organization. Anyone approximately 60 years of age or older is invited to attend.

Those wishing transportation should contact one of the following: Mrs. Dean W. Bankert, Mrs. Richard A. Little Jr., Mrs. Robert Morgret, Mrs. Gary L. Mummert, Mrs. Dean Shorb or Mrs. J. Scott Zanger.

Move Started To
Stop Death Penalty

LOS ANGELES (AP) — A group called Californians to Abolish State Killings has opened a statewide drive to abolish the death penalty.

San Quentin Chaplain Byron E. Eshelman launched the campaign Friday at a Los Angeles news conference.

"Our plan is based on the precept that no man is hopeless," said the chaplain. "First-degree murderers are the most dynamic people. They can be changed."

Although California has had a moratorium on the capital penalty for two years, courts have continued to sentence criminals to death. There are now 52 under sentence of death in state prisons.

Upsets Dad's Will
To Get \$100,000

LOS ANGELES (AP) — Italian-born cobbler John Nigro, who died in March 1963, directed in his will that the \$100,000 estate he had amassed in this country be used for building a hospital in Grimaldi, Italy.

He disinherited his only close survivor, his son, Frank, of Kansas City.

Frank contested the will in Los Angeles Superior Court. His father was incompetent when he wrote the will, he said. His father was irrational and under psychiatric care, the son, now 40, testified.

Friday the court agreed with the son. Grimaldi lost. The full estate, it was ordered, goes to Frank Nigro.

Bones Of Friar
To Be Reburied

SAN FRANCISCO (AP) — The bones of Friar Joseph Sadoc Alemany, first Roman Catholic archbishop of San Francisco, were returned here from Spain Friday for permanent reburial.

The archbishop, who left San Francisco for Spain in 1885, was responsible for the construction of about 75 churches and Catholic schools in Northern California's gold rush days.

After some 30 years of negotiations, Friar Alemany's descendants were persuaded to permit the remains to be returned.

YOUNGVILLE, Pa. (AP) — Tidoute High School's basketball team won its first league game in five years Friday night, defeating Youngville 63-55.

The two teams play in the Upper Allegheny Valley League and the last time Tidoute won was against West Forest Jan. 28, 1950. The score was 47-46.

The Tidoute team has won but one other game since then. It beat the Warren Jayvees 94-46 in 1963.

PAPPIN HELPS
ROCHESTER TO
REGAIN PACE

By The Associated Press
Toronto sent Jim Pappin to Rochester to regain his big-league form and it didn't take the fallen Maple Leaf long to fatten up on American Hockey League goaltending.

Demoted by the National League club Friday afternoon, Pappin scored a goal and set up another for Rochester Friday night as the Americans defeated Providence 4-2 and maintained their 12-point lead in the AHL's Western Division.

Second place Buffalo kept pace with a 5-1 victory over Baltimore in the only other game scheduled.

Bronco Horvath, another ex-Leaf, had two goals and an assist for the Amerks, who broke a 1-1 standoff on Pappin's second-period score and were never in trouble thereafter. Gerry Ehman also tallied for Rochester. Len Ronson and George Ranieri scored for the Reds, who have dropped seven straight games.

DROP 7 GAMES
Buffalo's Pat Hannigan scored two goals against his former Baltimore teammates, who failed to break a third-place deadlock with Springfield in the Eastern Division race. The Bisons struck for three goals in the last five minutes of the second period. Ray Cullen and Jerry Melynk sandwiching Hannigan's second goal with breakaway counters.

Len Lundie, the league's No. 1 goal-scorer, completed the rout with another breakaway in the final period. Defenseman Aldo Guidolin connected for the Clippers.

Baltimore is at Springfield tonight in a key Eastern Division game while Rochester visits Pittsburgh. Providence is at Cleveland and Buffalo at Hershey.

Aberdeen Scientists Try
To Save Yankee Lives In
Fighting In S. Viet Nam

By LOUIS G. PANOS
ABERDEEN, Md. (AP) — While diplomats and politicians in nearby Washington ponder the big problem of Viet Nam, a band of soldiers and scientists here are tackling some of the little problems in that trouble spot.

For example: A U.S. helicopter skitters along the treetops, its fragile arms flailing the muggy air, its engine roar alerting rebels for miles around. As the chopper nears a clearing to land Vietnamese government troops, a Communist sniper perched in a tree along the line of flight opens fire. A shot strikes a vital engine part and the aircraft drops like a wounded bird.

Another helicopter makes it to the clearing. Seconds after the last government soldier hops out, he and his comrades, framed in the gunights of waiting guerrillas from the moment of their descent, are killed or wounded.

REMOVE WALL
TO ASSIST A
COMPETITOR

ANTIOCH, Ill. (AP) — They tore down the wall at the Illinois Bell Telephone Co. building Friday to help a competitor.

The wall came down so a 10-ton, 56-foot switchboard seating 28 operators could be trundled out today. Sunday, the switchboard will begin a 310-mile trip to Richmond, Ind., where a \$1-million fire Thursday virtually wiped out telephone service.

Richmond's 44,000 residents will be the biggest beneficiaries of the gigantic rescue operation, but the fire victim will benefit too.

The victim is the General Telephone Co., which lost almost all of its operating equipment in the fire.

HELP NEIGHBOR

It's all part of a day's work, said a Bell spokesman. Asked if Bell intended to sell the switchboard to General, the spokesman said: "We haven't bothered about that. If a neighbor's in trouble you don't ask him if he wants to buy a loaf of bread."

The fire early Thursday crippled Richmond. Almost 18,000 of the town's 26,000 telephones went dead, two firemen were injured and dozens of operators fled to safety.

Illinois Bell volunteered the switchboard, which has been out of service since 1961 when it was replaced by automatic equipment. A crew of 30 men got busy Friday disconnecting it, tearing down bricks and cutting through steel beams.

The Bell company's wire chief, John C. Meng, said that by shipping the switchboard in one piece, four days of installation work will be saved.

Limited Warfare Laboratory, a special unit set up at the Aberdeen Proving Ground in 1962.

It has turned out more than a dozen items designed to give fighting men in Viet Nam and their American partners a longer lease on life.

Products run a wide range — a leech repellent, an eight-pound radio capable of transmitting a whisper 200 miles, a gadget that tells a helicopter pilot he is being shot at — and from where, a device to enable one aircraft to fire 288 smoke grenades in seconds and there raise a screen to conceal the descent of troops in other ships.

USE COMBAT VETS
Among the seven soldiers and 89 civilians manning the laboratory are jungle combat veterans, electronics engineers, machinists, biologists.

In trying to deal with guerrillas precisely trained in ambush and hit-and-run tactics, the jungle canopy becomes a special problem. At ground level in the jungle there is a 10-to-12-foot high mass of vines, bushes and tree trunks. Above that, rising 100 to 150 feet, are the tree trunks themselves. Then comes the canopy — a fantastic jumble of tree limbs and vines forming a layer 30 to 70 feet thick and in many places leaving the jungle below in darkness at midday.

Smoke grenades dropped in such an area to mark the nesting place of a guerrilla band often are swallowed by the canopy, their smoke diffused into mere wisps and of no use as guides to assault aircraft. The Aberdeen response: A parachute attached to the grenade, enabling it to settle gently atop the canopy instead of plunging uselessly through it.

AMBUSH DETECTOR
Some reports from the front told of trouble with grenades failing to operate after landing in water. The lab solution: waterwings, an inflatable plastic collar attached to the grenade. It makes the weapon look like a toy and, in fact, is made to Army specifications by a toy manufacturer.

Among items being developed or just completed to help cope with the ambush problem are a special siding material for trucks in guerrilla infested areas and an ambush detector.

Made of a type of wood and tile both common in Viet Nam, the siding is about four inches thick and in tests has stopped a 30-caliber bullet.

Conceived primarily as a result of Viet Nam, the laboratory deals with problems fighting men might encounter from desert to frozen wastes.

Second Half Broadside Powers Navy To 74-49 Victory Over Bullets

A three-quarter court press paved the way for a Navy victory over the Middles rolled to a 74-49 win over the Gettysburg College basketball team Friday evening in the physical education building before the largest crowd of the season, 2,900 fans.

After a tight first half which saw the Middles leave the floor at intermission with a slim 24-21 lead, Navy's defense went in to a tight press and the offense went into high gear. Coach Ben Carnevale, in his 19th season at Navy, has seldom used the press. However, after scouting the Bullets on several occasions, he incorporated it into his plans. The Bullets have had trouble with that type defense since the opening game against Temple and have been unable to overcome it.

During the first six and a half minutes of the second half Navy increased its lead to 44-23 on a run of 15 straight points behind high scoring Chris Reddington. The Bullets attempted to come back midway through the final 20 minutes, but were unable to put anything solid together as they were forced into errors time and again.

G-BURG HAS GOOD HALF

Gettysburg jumped to a quick 3-0 lead on Chris Sirms' jumper and Bob Morris' foul shot. Coach Bob Hulton's cagers led up to the 12:54 mark when captain Larry Mack knotted the count at 10-10. Strouse and Sirms then made it 14-11 with 11:27 to go in the half. However, at this point Reddington, with the help of Rein and Mack, pushed the Middles to a 19-14 advantage at 7:32 and they were never behind the remainder of the contest.

Bullet followers enjoyed two phases of the game despite the wide scoring margin. Gettysburg's defense was at its best during the first half and gave signs of containing the Middles. The Bullets' board work also kept pace with the visitors. Gettysburg pulled down 51 rebounds compared to Navy's 57.

Bill Radcliffe and Chris Reddington topped the Middles with 23 and 15 points, respectively, while Larry Mack was top rebounder with 11. George Strouse landed 20 points for Gettysburg followed by Sirms' 14. Sophomore Ray Fazan was the game's leading rebounder with 13.

The win was Navy's 10th straight over Gettysburg and also evened its record at 7-7. Gettysburg now owns a seven-win and six-loss record. The Bullets have another tough assignment when they journey to Philadelphia on Wednesday to tangle with the Explorers of LaSalle in the first of a Palestra twin-bill.

CENTRAL TOPS JUNIOR HIGH CAGERS 43-33

A bit of weak shooting, particularly from the foul line at key moments, proved disastrous for the Gettysburg Junior High dribblers who bowed to Central at Chambersburg Friday evening 43-33 in a South Penn League Braves from first place.

Neither team could hit from the free throw lane, Gettysburg converted but three of 14 while the Gladiators made three of 13, but the local shots were missed when very important.

The first half was close with Central holding a narrow 18-16 lead at intermission. "Butch" Alberts, who wound up with 18 points, netted eight in the first half while Eric Maitland came up with three of his four goals.

CENTRAL BUILDS LEAD
With Harry Jenkins and Gary Taylor each connecting twice in the third stanza, Central built up a 30-23 lead going into the last quarter. Gettysburg's points came on a pair of goals by Alberts and one by Maitland.

Central kept a comfortable lead in the final round with four lead scoring goals. Albert sank three goals, Eddie Hughes and "Bo" Davies one each for the Braves. The defeat snapped a five-game win streak for the Braves who are now 8-2 overall.

A one-point second quarter was fatal to the local jayvees who dropped a 37-26 scrap in the preliminary for their loss in 10 outings. Dave Strickland hit for 12 points while the winners were led by Jacobs with 17.

The Braves have two home league affairs next week, meeting Chambersburg Faust on Tuesday and Scotland on Friday.

Philly Stadium To Be Ready In 1967

PHILADELPHIA (AP)—Philadelphia's proposed all-purpose sports stadium should be ready for the 1967 baseball season, according to Charles G. Day, city commissioner of public property.

Day released Friday a timetable for completion of the stadium in South Philadelphia. It lists Jan. 30, 1967 for completion and an additional two months of final preparation for the shift of the Phillies from Connie Mack Stadium.

CANNER RALLY NIPS NEWPORT QUINTET 48-38

A stubborn Newport basketball squad forced Biglerville High School to come from behind in the last five minutes of play before yielding to the Canners 48-38 at Biglerville Friday evening in a Blue Mountain League game.

Biglerville led by a narrow margin throughout the first half which ended 23-18.

The Buffaloes started to come on and finally tied the score at 28-28 with Tim Bonawitz leading the assault with three goals and a pair of fouls. The teams traded points with Newport surging for a 35-31 advantage at the end of three periods.

Newport collapsed almost completely in the final round when it was held to but three foul conversions, two by Bonawitz and one by Charley Strickland.

The score was deadlocked at 36-36 and then Bonawitz netted two fouls for the visitors with 5:00 left. After a 38-38 tie, Bill Bonish put the Canners in front on a field goal and foul. Jim Taylor converted three straight fouls as Newport played a possession and slowed down play. Rod Rouzer picked up a Canner goal and Dick Hartman converted two fouls to complete the scoring.

Bonish and Taylor led the winners with 20 and 13 points. Bonawitz carried the Buffaloes with 19.

The Biglerville reserves snapped a nine-game losing streak in the preliminary with a decisive 41-21 decision.

Biglerville, new 8-9 overall, plays at East Pennsboro Tuesday evening.

BUD WILKINSON TO HEAD NEW SPORTS GROUP
NEW YORK (AP)—More people involved in a wide variety of sports and playing well enough to want to continue is the aim of the newly formed Lifetime Sports Foundation.

Formation of the foundation, with former Oklahoma football Coach Bud Wilkinson as president, was announced Friday by two rival corporations in the manufacturing of bowling and other sports equipment. They are the American Machine and Foundry Co. and the Brunswick Corp.

Wilkinson, who will continue to reside in Norman, Okla., named Richard Snider of Oklahoma City as executive director with offices in Washington D.C. Snider managed Wilkinson's unsuccessful campaign for the U.S. Senate last fall.

LIFETIME GAMES
In explaining the name of the foundation, Wilkinson said: "The objective of the foundation will be to help where we can across the board in games that last a lifetime... Obviously people cannot enjoy sports participation unless they perform well enough to derive some satisfaction."

Wilkinson, physical consultant to the late President Kennedy, said the foundation also will sponsor research projects "related to the psychological and physical benefits of participation in various sports."

In giving his approval of the foundation's aims, President Johnson wired: "This is the kind of private initiative which we had hoped would result from the physical fitness program."

DAVIDSON 5 HAS LONGEST CAGE STREAK

By MURRAY CHASS
Associated Press Sports Writer
Fred Hetzel took a motorcycle trip through Europe last summer, and Davidson's basketball team has been scoring past its opponents ever since.

There was one roadblock—St. Joseph's in the second game of the season. But since then, fifth-ranked Davidson has roared past 17 straight foes without so much as approaching a red light.

The Wildcats gunned George Washington 119-83 Friday night, extending the nation's longest winning streak.

The two other members of the Top Ten that played also won easily. UCLA, No. 2, trounced Washington State 93-41 while 10th-ranked San Francisco crushed the University of Pacific 104-64.

18-1 RECORD
Coincidentally, the Wildcats' victory gave them an 18-1 record, matching St. Joseph's for the most victories of any team in the country. The third-ranked Hawks, idle Friday night, also have lost once.

Hetzel, who led Davidson to a 22-4 record last season, didn't play much basketball during the summer. When he did play, it was on the Italian Riviera or in Paris or other such exotic places.

The 10,000 mile tour, however, hasn't hurt his regular season play. The 6-foot-8 senior is the nation's sixth highest scorer and again has sparked the Wildcats' drive toward the top. He poured in 35 points, including 19 of 20 free throws, Friday night.

NOT ONE-WAN TEAM
Don Davidson added 27 points and Dick Snyder 26, bearing out Coach Lefty Driesell who contends Davidson is far from being a one-man team.

UCLA ran its record to 15-2 in a bid to regain the No. 1 spot. The Bruins limited Washington State to 17 points in the first half, then coasted the rest of the way to the largest margin of victory in Pacific Athletic Conference history.

San Francisco grabbed sole possession of first place in the West Coast Athletic Conference behind the all-around play of Ollie Johnson. The Dons scored 20 points and snared 24 rebounds in his team's 14th triumph against three defeats.

OTHER GAMES
In another PAC game, Stanford edged Oregon 77-75 on Gary Loveridge's four-foot field goal with three seconds to play. Jerry Anderson had tied the game for Oregon on a free throw 16 seconds earlier.

Moving to the other side of the country, Cornell won its 10th straight game by handing Dartmouth its 26th consecutive Ivy League defeat 110-84. Cornell's total points set a league record while its 44 field goals tied another.

Bill Bradley took only three shots in the first half but still wound up with 26 points as Princeton walloped Brown 69-49 in another Ivy game. Bradley passed off for at least six field goals and dominated the rebounding in the first 20 minutes.

In other games Miami, Fla., downed Florida Southern 94-82. Boston College knocked off Northeastern 101-90. Oregon State defeated California 74-57. Seattle rapped Idaho State 97-77 and New Mexico trounced Hawaii 76-39.

TV Sportscaster Will Be MC For Caravan Program

Either "Chuck" Thompson or Frank Messer, well-known Baltimore TV and radio sportscasters, will be the moderator for the sports panel when the Baltimore Orioles Caravan presents a program at the Gettysburg Elks Home, York St., Wednesday evening.

The group will arrive at the Elks home Wednesday about 5:30 and will mingle with those attending until the roast beef dinner which will be served at 6:30.

There are approximately 35 tickets still available at \$2.50 each which may be secured at the Elks Home. Proceeds will go to the Elks' cerebral palsy fund.

During the program the caravan will present an autographed baseball, and a number of tickets to Oriole games and other prizes.

Scheduled to appear are the following Oriole players: John Orsino, catcher; Dave McNally and Dick Hall, pitchers; Jerry Adair, second baseman; Billy Hunter, coach; Lee MacPhail, president and general manager; Jack Dunn, assistant general manager; Gerry Sachs, public relations director; Bob Brown, traveling secretary, and Bill Roberts, ticket manager.

There is a distinct possibility that either Steve Barber or Milt Pappas, pitchers, will also be here.

COLUMBIA ACE TO ENROLL IN OHIO SCHOOL

PITTSBURGH (AP)—Columbia quarterback Archie Roberts is headed for Cleveland, but he isn't saying whether it will be with the National Football League Browns.

Roberts told The Associated Press late Friday night he definitely plans to attend Western Reserve medical school in Cleveland. He also said he has been "offered an opportunity" to sign with the Browns.

According to published reports in New York, that opportunity involves one of the most bizarre deals ever devised in pro football. Under terms of the deal, Roberts would be paid for the 1965-66 season but would not be an active player.

SEVEN-YEAR DEAL
The Browns, the reports say, have offered to provide seven years of tuition and living expenses for Roberts and his wife through medical school, internship and residency. Both Roberts and his wife, Barbara, want to be doctors.

The Columbia ace declined comment on the reports, saying he still is weighing offers from the Browns, the New York Jets of the American Football League and Montreal of the Canadian League. He also said he will not make a decision until after the college baseball season.

No price has been placed on the Browns' offer, but the reports estimate it at around \$100,000. One report said tuition for Mr. and Mrs. Roberts alone would run to \$32,000.

Shenandoah Starts Big Improvements

CHARLES TOWN, W. VA.—Construction has started on a \$100,000 betting mezzanine in the Shenandoah Downs grandstand, general manager, Robert G. Leavitt announced today. Work will be completed in time for the 1965 seasons at the night plant, Leavitt said.

Racing dates for this year at Charles Town and Shenandoah Downs have not been assigned by the West Virginia Racing Commission as yet, but the sport customarily begins here in early April.

The mezzanine, going off a new second level of the glass-enclosed grandstand, will contain 40 mutant windows and will be reached by three ramps from the main seating area. It will be 180 feet long and 80 feet deep.

DELONE AGAIN DEFEATED BY CARLISLE HI

Delone dropped a hard-fought 75-71 battle to Carlisle on Friday night in a nonleague game on the winners' floor. It marked the second time this year that the Thundering Herd edged the Squires, as the Herd posted a 76-75 win at Delone earlier in the season. The loss gives Delone an 11-6 season log.

Friday's game started like Carlisle would win in a walk. The Herd jumped out to a quick lead and by the end of the first period enjoyed a 27-15 advantage. But the Squires came back strong in the second stanza to take a 43-42 lead at half time. A big third quarter actually won the game for the Herd as the homesters outscored Delone 22-11 to take a 10-point lead into the final period. The Squires' fourth quarter rally fell short by four points.

TOP SCORERS
Carlisle's Mike Kazar and Delone's Jim Roth led their clubs with 22 points apiece. Six-foot, seven-inch Vince Schafmeister with 19 and John Heishman with 17 were other big scorers for the winners. Phil Staub had 20 and Bob Wierman had 17 in a losing cause.

Carlisle made it a clean sweep by downing the Baby Squires in the preliminary contest 62-44. The Delone underdogs are now 6-11 for the season.

The Squires, 2-0 in second-half league action, travel to York on Tuesday to take on a York Catholic team which upset them at this stage of the first-half race.

RUSSIANS GET SPLIT FRIDAY IN BIG GAMES

By BOB GREEN
Associated Press Sports Writer
PHILADELPHIA (AP)—The Russian athletes, opening a five-meet tour of the United States, gained an even split in their first outing and coaxed a smile from Coach Gabriel Korobkov, probably the first exercise those particular face muscles have had since before the Olympics.

Korobkov, who was attacked in the government-controlled Soviet press after the Russian men's teams were bested by the U.S. in a dual meet at Los Angeles in July and again when the Russian men were crushed by the Yankees in the Olympics.

EARN A SPLIT
He had five athlete centered in the Philadelphia Inquirer Games Friday night and gained a two-to-one split.

Two Russians—pole vaulter Gennady Bliznetsov and broad jumper Igor T-Ovanesyan—won their specialties. Two others—hurdler Anatoly Mikhailov and half mile Valery Bulishev—were beaten. Mikhailov didn't make the finals and Bulishev ran third and last in the 1,000 meters.

And the other, Olympic high jump champion Valery Brumel, the man accorded the greatest ovation from the sell-out crowd of 1,650 when he was introduced, pulled out of high jump with a slight leg injury.

The Russians next go to New York for the New York Athletic Club games next Thursday. Korobkov said Brumel should be able to compete.

Xavier Dribblers Divide Twin Bill

St. Vincent's of Hanover doubled the score on the St. Francis Xavier school cagers in downing the local club 44-22 Friday on the losers' court.

The Red Raider reserves gained an even split by capturing the preliminary game with an easy 38-23 win.

Near End Of Probe Of 39 "Lost" Traffic Violation Tickets In State Bureau

HARRISBURG (AP) — The Traffic Safety Bureau says it has almost completed its investigation of 39 traffic violation reports missing from its files.

Disclosure of the missing reports last December led to the forced resignation of H. Earl Pitzer of Aspers, Adams County, as the bureau's enforcement director and his top assistant, James S. Cozens of Philadelphia.

Harry H. Brainerd, traffic safety director, said Friday his bureau has been holding hearings on the violations themselves. He said a final report would be turned over to Gov. Scranton when the cases are completed.

FILES ONE REPORT

In the meantime, he already has forwarded a report, which he described as a chronological listing of events, to the Justice Department for review.

Brainerd said his report to the Justice Department related strictly to "the facts of the case, the number of reports that were missing, etc., the facts that led to the resignations."

This information already has been released to the news media, he added.

Brainerd, commenting that the violation cases "are coming along pretty well," said he hoped to be able to have his second report for the governor ready within a week or two.

NAMES SECRET

"This depends on how quickly we are able to complete our hearings," he explained. "As I understand it, there aren't too many left."

Asked if he intends to make public the names of the persons cited in the missing records, Brainerd replied:

"My report to the governor will contain these names. The question of releasing these names is up to the governor."

Plain but good for lunch or a dinner appetizer: Halves of hard-boiled eggs topped with Russian dressing. Add a sprig or two of parsley or watercress for pretty color contrast.

BAIL STATE OFFICIALS

PHILADELPHIA (AP) — Two suspended state officials, Joseph L. Fox, 58, of Philadelphia, and George A. Rickert, 49, of Levittown, have been held in \$500 bail pending a hearing Feb. 15 on charges of bribery and conspiracy.

Fox, a referee in the Workmen's Compensation Division of the State Department of Labor and Industry, and Rickert, a supervising auditor in the Sales and Use Tax Division of the Department of Revenue, are charged with trying to shake down Stanley Worthington of the Worthington Construction Co. of Levittown.

They were arraigned Friday before Magistrate E. David Keiser, on charges that they arranged to reduce a sales tax bill against Worthington from \$10,000 to \$1,700, in return for a payment of \$1,000.

State police arrested them Thursday after the transaction was allegedly carried out, with a check and marked cash furnished to Worthington for that purpose by the police.

State officials have suspended Fox and Rickert.

GOP Finance Chief To Quit Wednesday

PHILADELPHIA (AP) — Frank C. P. McGinn, a Philadelphia bank executive, is stepping down next Wednesday from his post as chairman of the Republican Finance Committee of Pennsylvania.

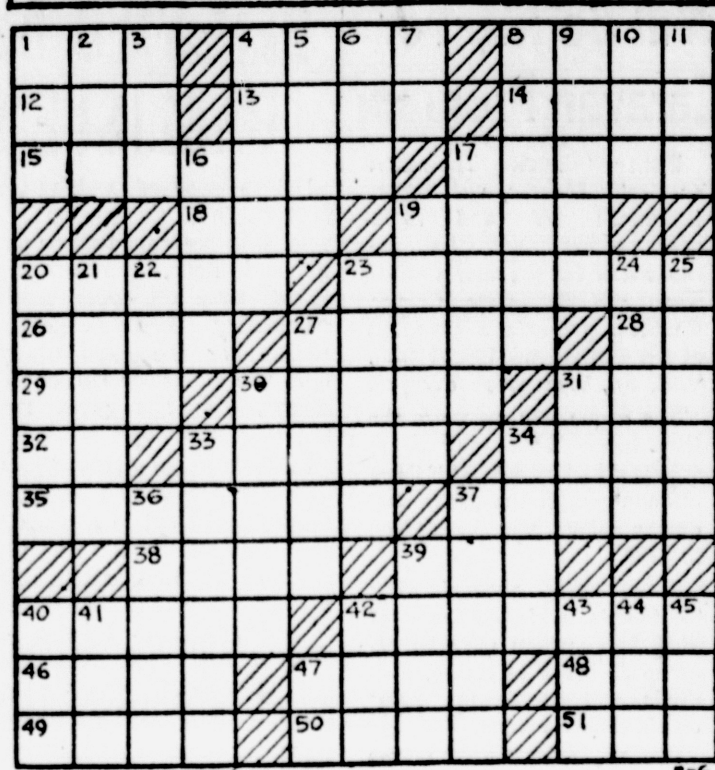

McGinn who has been chairman of the fund-raising agency since July 1, 1963, said Friday night his action was the "termination of an agreement, not a resignation."

"My original plan," he said, "was to step out last Dec. 1. I had agreed to stay just so long. Actually, I stayed a little longer than I had planned."

SPENDS 801ST DAY IN JAIL

CHAMBERSBURG, Pa. (AP) — Jack Goulding spent his 801st day behind bars today while a judge deliberated whether the 35-year-old divorced father had purged himself of contempt.

Goulding was jailed in November 1962, for refusal to turn over his son, Benjamin, now 9, to his former wife, Thelma. For two years the father remain in jail, while the boy was being cared for by his paternal grandmother, Mrs. Iva Johnson, in nearby Hagerstown, Md.

A Maryland court this week granted Mrs. Goulding temporary custody of the boy. Goulding's attorney then appealed to a week ago and hasn't been recovered yet. Minehart said Friday night.

"I normally lock the car," explained Minehart, "but at the same time I've been unable to find my keys, so I can't be certain about it."

Minehart said he reported the theft to both local and state police.

RENEWS DRIVE TO FIND FLYER IN VIET JUNGLE

By PETER ARNETT
SAIGON, Viet Nam (AP) — Donald C. Dawson gathered supplies here today for another lonely and dangerous trip into Communist-infested jungles in search for his brother, a U.S. Army pilot who didn't return from a mission.

"I'm going back in, and staying this time," he said in an interview.

Dawson, 25, appeared worried as he looked over his gear. He is concerned about the increase in military activity near the little Catholic village of Thai Hung, 20 miles north of Bien Hoa where he has been trying for two months to persuade the Viet Cong to return his brother — dead or alive.

FEARS BROTHER DEAD

He is afraid his brother is dead, but he is not sure. In the next few weeks he hopes to find out.

Lt. Daniel Dawson, 27, disappeared when his plane crashed last Nov. 6 on a reconnaissance mission over Viet Cong-controlled territory.

The younger Dawson, leaving a wife and four young children behind in Rohnert Park, Calif., arrived a month later to try to find out what happened. Since then he has been restlessly shuttling between Saigon, the U.S. Air Base at Bien Hoa, and Thai Hung.

Dawson has offered a \$1,300 reward for his brother alive and lesser amounts for information leading to his body or the lost plane. Despite the chance that he may fall victim to the Red guerrillas, he has vowed to continue the hunt as long as he is able.

Dawson believes that the fighting in the normally quiet region along the banks of the Dong Nai river may lessen his chances of persuading the Viet Cong to cooperate. However, he feels that thousands of leaflets he has spread around and the information he has sent out by word of mouth with farmers and priests may pay off.

EXPECT KOSYGIN TO OFFER ARMS

TOKYO (AP) — Soviet Premier Alexei N. Kosygin confers with Communist North Vietnamese leaders in Hanoi today amid the expectation he will offer them military aid for the war against the Saigon government.

Accompanied by a delegation of Soviet military officials, Kosygin arrived in the North Vietnamese capital today for a four-day visit after a flight from Peking where he held talks Friday night with Communist Chinese Premier Chou En-lai.

Communist dispatches from Peking indicated Kosygin got a chilly reception from the Chinese hierarchy on his brief stopover. Tass, the Soviet News Agency, said in a story from the Red Chinese capital that "a talk took place between the two sides" after a dinner given by Chou for Kosygin.

KING WANTS TO SEE JOHNSON

By DON MCKEE
SELMA, Ala. (AP) — Dr. Martin Luther King Jr., who spent five days in jail here, wants to talk with President Johnson about more civil rights legislation as a result of an Alabama campaign which has brought more than 3,000 arrests within three weeks.

King was released from jail Friday under \$200 bond and announced he was trying to get an appointment Monday with the President. King planned to return to Atlanta today and go to Washington Sunday night.

"I have come to see more than ever the need for new legislation on the right to vote," King said at a news conference. "I feel the need for a constitutional amendment guaranteeing the right to vote."

Bearded and a little hoarse, King traveled to nearby Marion Friday night and spoke at a church rally. King was married near the west Alabama town nearly 11 years ago.

Seek Inspection Of Apartments

PHILADELPHIA (AP) — A bill which would require landlords to have vacant houses or apartments pass an inspection before being offered for rent is being prepared by the administration of Mayor James H. J. Tate, it was announced Friday. Tate said he expects to have the bill introduced in City Council in about six weeks.

JAIL PARENTS FOR NEGLECT

MEDIA, Pa. (AP) — A 30-year-old man has been sentenced to 3 to 23 months in Broadhead County Prison and his 29-year-old wife has been committed to serve 90 days in the Haverford State Hospital for psychiatric observation after pleading guilty to child neglect charges.

The sentences were imposed Friday by Judge John V. Diggs, sitting in Delaware County Court, on George Shaw and his wife, Sarah.

Shaw and his wife were arrested last April after the body of their seventh-month-old baby, Mary Jane, was found in a cardboard box on a dump in Middletown Township. They lived in Chester at the time.

The body was emaciated, weighing only 10 pounds, physicians said. An autopsy disclosed she died of bronchial pneumonia.

The Shaws have six other children up to 10 years of age. All of them are now living in foster homes. The husband and his wife have been living in Newtown Township.

Pearl Bailey Is Reported Improved

HOLLYWOOD (AP) — Singer Pearl Bailey, 46, who entered Mt. Sinai hospital in Hollywood Monday suffering from severe heart strain, was reported considerably improved Friday.

Her physician said her general condition is good but that she needs a rest. She may be able to return to her normal schedule in two weeks, he said.

Coast Guard Quells Mutiny On East River As Chinese Sailors Fight For Movies

By RAY KOHN
NEW YORK (AP) — Mutiny on the East River? Not quite, but a "rebellion" of Chinese crewmen demanding more movies and less overtime brought out helicopters, Coast Guard cutters, and a police riot squad.

Sender of the radio word of an Oriental uprising Friday was Capt. Hendrik Veldhuizen, skipper of the Dutch oil tanker Reza Shah the Great.

The prospect of "mutiny" in the Port of New York sent authorities full steam to the scene — at 138th Street, the Bronx.

QUIET CREWS

Swarming aboard the 22,000-ton craft, the police plus immigration and customs officers encountered a crew of 25 Hong Kong Chinese, a Briton and a Cuban, and 17 Dutch officers. Everything was as quiet as the sluggish East River current.

What caused the tempest in the tanker? The captain, referring to an incident 10 days ago, said: "It was a stormy night, and we were on our way back to Curacao from New York. The officers were watching a Gina Lollabrigida picture in the saloon when suddenly the door opened and five of the Chinese crewmen pushed in. Ten more were waiting in the passage-way."

OBJECT TO SCHEDULE

"They raised a riot. They yelled and swore. One of them pointed to the projector. 'It is our turn to have a movie to-night,' he shouted."

"They claimed that the officers had had four movies in a row since they had had one."

That was the movie menace on the part of 17 of the Chinese.

WANT OVERTIME

Now for the labor dispute: About six months ago the Chinese complained about their wages of \$100 a month for a 48-hour week. The figure is about a quarter of what an American seaman would receive at union scale.

So the company raised wages for the Chinese to \$150, but with about 50 hours of overtime a week.

Mrs. John Kennedy At Plush Resort

ACAPULCO (AP) — Mrs. John F. Kennedy arrived here Friday to join her sister, Princess Lee Radziwill, for a vacation at the plush Pacific Coast resort.

The princess and her husband arrived Tuesday from London for a two-week stay. Mrs. Kennedy flew in from New York. The visitors are staying at the home of a friend, Mexican architect Fernando Parra.

OBSERVE BIRTHDAY

WARSAW, Poland (AP) — The Polish Communist party opened a celebration Friday for its chief, Wladyslaw Gomułka, who is 60 years old today.

A testimonial issued by the official Polish news agency PAP, said: "Everything of which our people are correctly proud, is indissolubly connected with your name, your work, thought and activity."

The 66 books of the Bible contain 1,189 chapters.

month. Everything is quiet now aboard the Reza Shah. The 17 indignant crewmen were zoomed out of Knndy Airport Friday night, bound for Hong Kong.

The "mutinous" men kind of had a last laugh at that. Their ex c e s s baggage charges amounted to \$1,400, and an airlines official said the tab would be picked up by the steamship company.

Dynamometer Is Useful In Diagnosing Tractor Troubles

THOMAS E. PIPER
Adams County Farm Agent

If your tractor is loafing on the job, a new machine which some tractor mechanics are using may help in diagnosing tractor ills. Normal wear in tractors usually takes place so gradually that the change may not even be noticed by an operator until maintenance is needed.

Thomas E. Piper

The tractor dynamometer is a machine that measures the torque and speed of the power takeoff shaft to indicate the horsepower developed by the engine. It is a valuable tool in the hands of a competent mechanic. Not only does it indicate the power output, but a mechanic can observe the engine under load when most tractor ills are more readily noticed.

When a dynamometer test shows that horsepower is lacking, a simple procedure will frequently correct the problem. This includes servicing the air cleaner, checking the spark plugs and governor, replacing the necessary parts and adjusting the carburetor and timing. A malfunction in any one of these five areas will result in a loss of power and/or increased fuel consumption. Timely service of the tractor can result in horsepower increases up to 11 per cent and fuel savings to 14 per cent.

Your local tractor dealer may have a dynamometer. Make that appointment for your tractor's physical now. The cost is small when compared to a savings of 14 per cent in your annual fuel bill.

MANURE VALUE LOST

About a billion tons of farm manure is produced annually in the United States. The crop producing potential of this manure is considered to be about three billion dollars. Much of this potential is not realized. In fact, probably only 1/4 to 1/5 of the plant food value of manure is ever used by crops.

Soil tests made at the Pennsylvania State University show that less than 1/4 of manure value is being realized in many sections in Pennsylvania. Dairy farms in northern and western Pennsylvania, that have been in operation well over 100 years, still show low and in some cases, very low soil potash levels. This hardly seems possible because thousands of tons of manure, which is supposed to carry a lot of potash, has been applied to these fields for years. Theoretically, we should recover about 85 per cent of the potash fed to the animals, and 70 per cent of this potash will be in the liquid portion of the manure. In other words, if the liquid is lost, much of the value of manure is lost.

Most farmers haul manure directly from the barn to the

field. Much of this manure is lost from washing away on steep hillsides. More is lost because the farmer doesn't use enough bedding.

The best way to store manure is under a shed roof. Tramp or pack it like silage, making sure it does not become dry. To realize the maximum value from manure it should be hauled to the fields and plowed down as soon as possible. This will not seem practical to most farmers, but in the long run, it would be the most practical method of conserving this valuable farm byproduct.

SAVE BABY PIGS

Higher hog prices are forecast for this summer. This should make those pigs now being born more profitable than pigs have been in the past several years. However, pigs born and pigs marketed are two different things. About one-fourth of all pigs born never reach market.

There are a number of things that can be done to increase the percentage of pigs going to this prospective good summer market. Keep newborn pigs from chilling. They have no heat regulating mechanism and body temperature will drop rapidly when born into a cold environment. A pig that has been chilled has a lowered resistance to scours and respiratory ailments. Control all drafts in farrowing houses. Keep farrowing pens or crates dry and clean. Dirty, wet pens are often a primary cause of many baby pig losses. Pens should be cleaned each day using bedding that is absorbent and clean.

Many changes often can be made around the farrowing house that will result in more pigs saved. Remember, 1965 looks like a good year to save every pig possible.

Taneytown

TANEYTOWN — The Jaycettes will sponsor a Valentine Dance Saturday evening, February 13, for the benefit of the swimming pool project. The dance will be held in St. Joseph Hall with music by "Tony Geiman's Twilight Three." Admission will be \$3 per couple.

The regular meeting of the city council was held Monday evening in Town Hall with all members present. The police department reported 21 parking violations for the month, 15 warnings and six state summons. The treasurer reported a balance of \$16,228.83 in the general fund and \$2,638 in the parking meter fund. Interest amounting to \$10,000 was paid on the sewer bond.

Several members of the council will attend a meeting February 24 in Westminster with the Maryland Municipal League to discuss the formation of a Carroll County branch of the league. Alan Beals, executive secretary, will preside.

George Freese was signed a two-fold contract with the Chicago Cubs. When he isn't managing one of their minor league clubs he will be a scout.

TODAY In History

By THE ASSOCIATED PRESS

Today is Saturday, Feb. 6 the 37th day of 1965. There are 328 days left in the year.

Today's highlight in history: On this date in 1933, the 20th — or lame duck — Amendment was proclaimed in effect. It provided that Congress meet every year on Jan. 3 and that the president take office every fourth year on Jan. 20.

On this date In 1788, Massachusetts became the sixth state to ratify the Constitution.

In 1918, the government ordered enemy aliens to register. In 1929, Charles Lindbergh started the first air mail service to the Panama Canal Zone. In 1945, Gen. Douglas MacArthur announced the fall of Manila.

In 1952, King George VI of England died.

Ten years ago — Vice President and Mrs. Richard Nixon left Washington for a goodwill tour of the Caribbean nations.

Five years ago — A special House committee recommended criminal penalties for those using deceitful advertising on radio and television.

One year ago — Cuba shut off the water supply to the U.S. base at Guantanamo.

BOYLE'S Grab Bag

By HAL BOYLE

NEW YORK (AP) — The pleasantest journeys we take in life are those made back through memory.

When we travel by car, train or plane, we are often the unwilling victim of road conditions, weather, or schedules we cannot change. But when our vehicle is memory, there are no traffic jams, we can travel any route we choose and linger as long as we want at any charming vista we have known before.

You've put quite a few miles and years behind you if you can look back in your mind and remember when—

STATUS SYMBOL

Everybody cried a little when the local firehouse put its big gray horses out to final pasture. You could get a good pair of shoes for under \$5, and a respectable funeral for \$150.

Few people over 40 bothered to have an aching molar treated. They simply told the dentist, "Pull her."

Young boys trained their unruly hair to lie down by sleeping in a tight cap made from one of mother's old stockings.

A well-to-do family was one which had separate beds for all the kids.

3 TOP IDOLS

The three greatest idols of childhood were Jesse James, Buffalo Bill and Frank Merriwell.

Anybody who was careless with his money was told, "You'll wind up in the poorhouse."

People felt sorry for a husband whose wife was so lazy she bought bread at the store instead of baking it herself.

The average plumber or bricklayer earned less than a white collar worker.

Housewives hated to see summer come — because it brought so many flies.

CHARGES REDS USED HITLER'S TACTICS FIRST

BELGRADE, Yugoslavia (AP)

—Yugoslavia's most important literary magazine publisher charged Friday that the Soviet Union used concentration camps and practiced genocide long before Adolf Hitler did.

The charges were included in another of a series of articles critical of life, past and present, in the Soviet Union.

None here can recall anything published in Yugoslavia before that has treated the subject so harshly. A Soviet diplomat stationed in Belgrade was reported to have said of the articles: "No American journalist has ever written this critically."

EARLY PRACTICE

The articles, appearing the monthly magazine Delo, were written by Dr. Mihajlo Mihajlov, a philosophy professor, who says concentration camps and genocide — race murder — were used by the Russians before the Nazis.

He accused Soviet officials of moving too slowly to wipe out Stalinism. The appearance of his views in Delo was taken to mean the Yugoslav Communist party supported his criticism. Yugoslavia broke with Stalin in 1948 and has maintained its own form of communism ever since. Relations improved considerably when Nikita Khrushchev was in power, but Yugoslavia has always remained wary.

BULLETINS

BONN, Germany (AP)—Chancellor Ludwig Erhard's spokesman Friday denied a conflict has developed with French President Charles de Gaulle on German reunification policy.

De Gaulle today his news conference in Paris Thursday that the reunification of Germany is a European problem to be solved only by Europeans.

LONDON (AP) — A London fashion writer predicted today the stylish women soon will be wearing only two very sheer undergarments.

She didn't name them, but it appeared she meant that old standby, the bra, plus panties.

According to Miss Sandy Shaw of the Daily Sketch, the garter belt and the girdle are doomed, or aspirin tablets.

The ordinary American didn't know the difference between Pablo Picasso and Sigmund Freud — and couldn't have cared less.

Farmers prided themselves more on their barns than their houses, and got more free seeds than benefit payments from the federal government.

Women claimed that if they ever got the right to vote they'd soon end corruption in public office.

Those were the days. Remember?

Saffron comes in powdered and in thread form; if you use the latter, you may want to soak it before adding to a dish. For a fish stew for example, use a half teaspoon saffron threads soaked in a tablespoon of hot water.
